

Honoring Past and Present

Countryside is home to the historic Beall Family Cemetery, with the first burial dating back to 1854. When landowner A.D. Zucht discovered the old graves hidden in his woods 111 years later, he was moved to not only protect the tiny peaceful cemetery, but also to expand it into a modern day, 1.5 acre natural burial cemetery that welcomes all. His daughter Chrystabell and her mother Sunny are dedicated to continuing her father's vision.
